Officials from the **Office of Administration - Budget and Planning** state that currently, RSMo 610.026.1(1) allows public agencies, when fulfilling records requests, to charge fees for research time. This proposal specifies that research time includes time spent reviewing records to determine whether they are closed or are authorized to be closed. This could impact state agencies fulfilling such requests. This may increase Total State Revenue by an unknown amount and could impact the calculation under Article X, Section 18(e).

Oversight assumes this proposal may impact local law enforcement agencies in a similar manner as stated above by Office of Administration - Budget and Planning. For fiscal note purposes, Oversight will show an unknown positive impact to these agencies.

This proposal could increase Total State Revenue.
